Handwriting Paper Templates

As adults, sometimes we forget that kids need lots of practice to learn how to write clearly! It's helpful to have lined paper to learn proper letter height and more.

These paper templates are perfect for providing free-writing opportunities.

- Download and print the pages for extra practice.
- A suggested grade level is included on each page.

Kids can graduate to the next level as their handwriting improves.

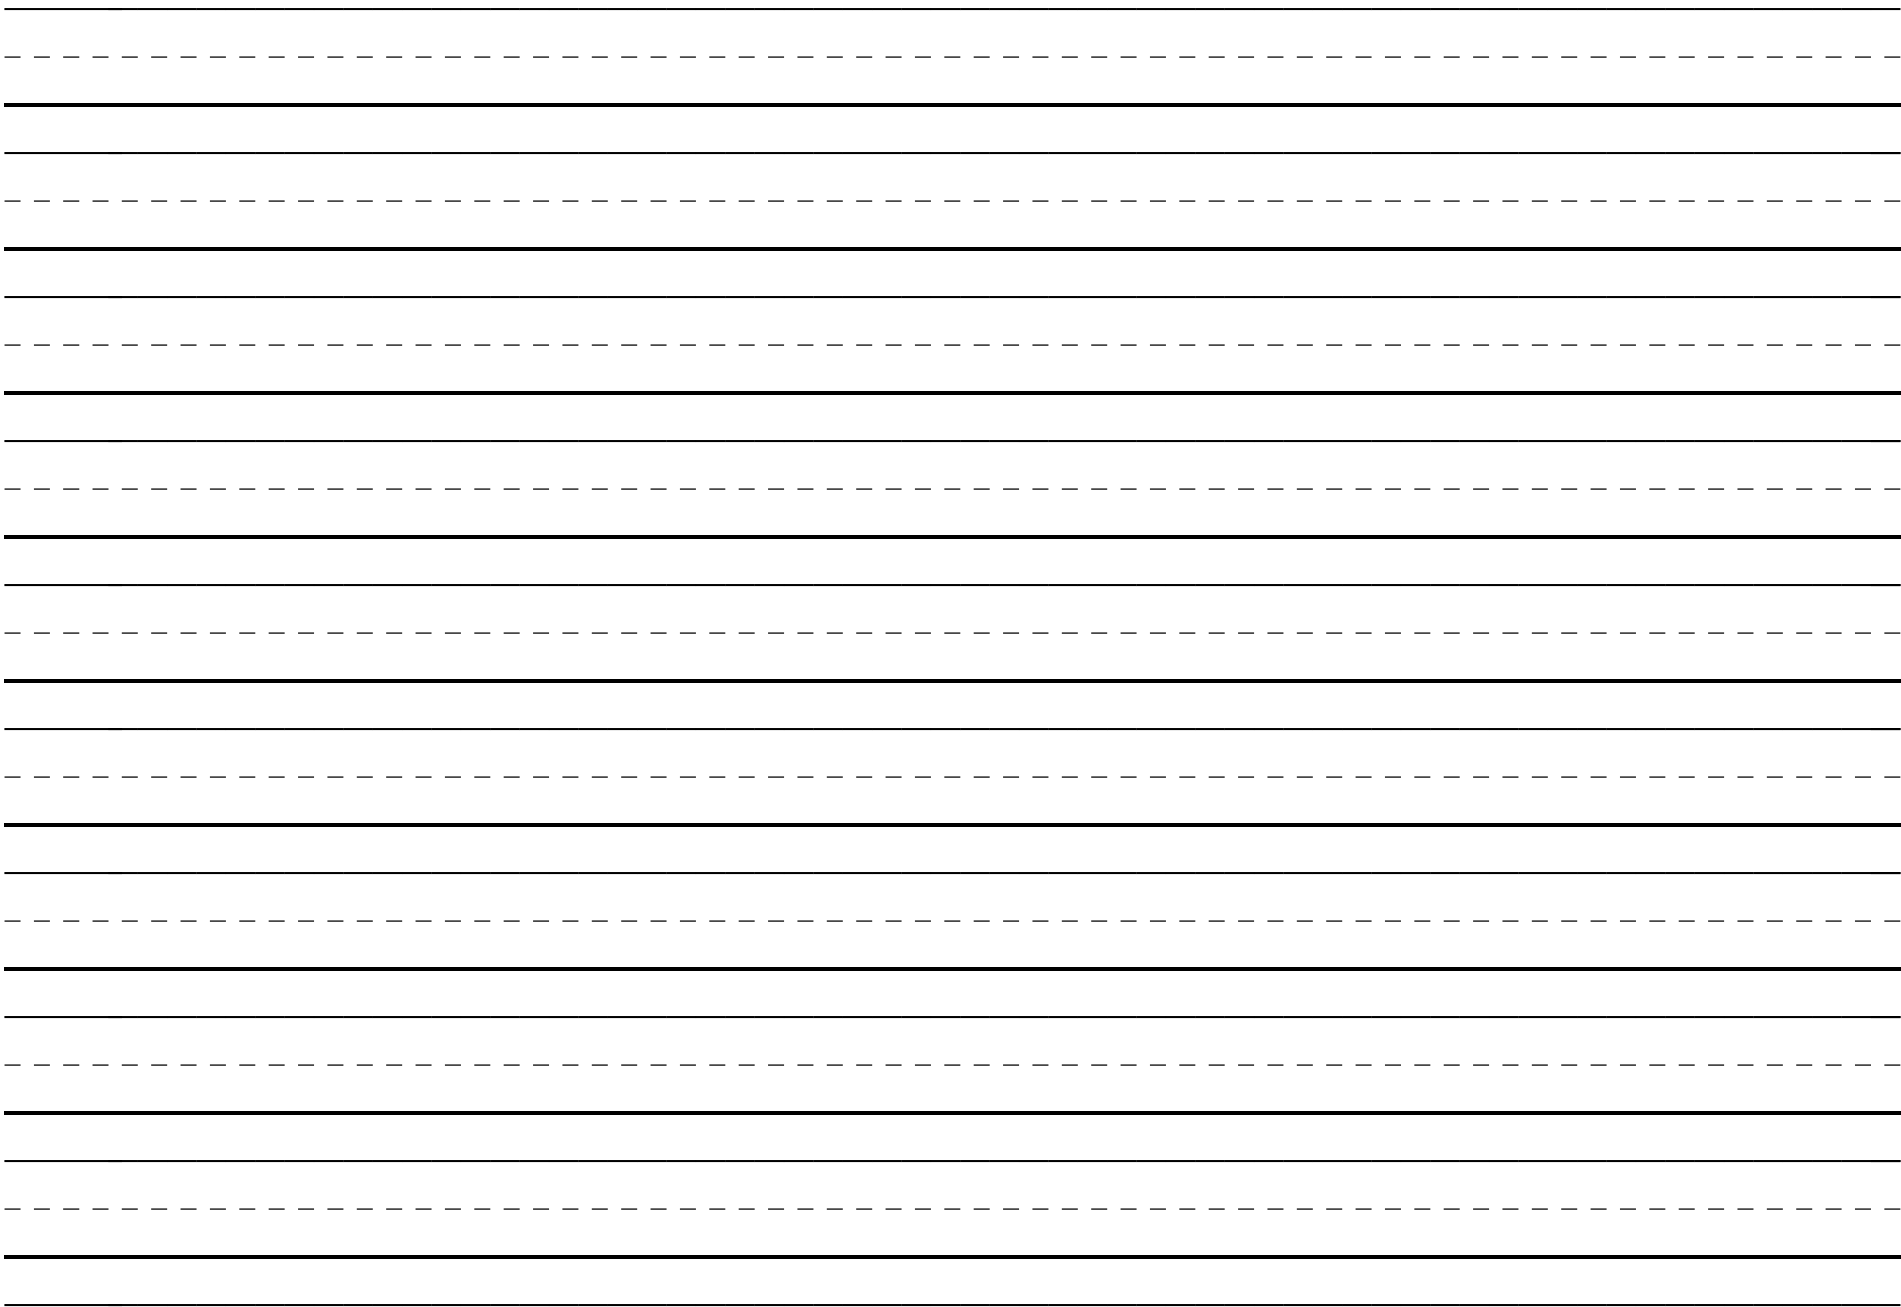

Use these resources to help to enrich your student(s)' off-site learning experience. We understand this is a really hard time, but hope we've provided something worthwhile!

Sincerely,

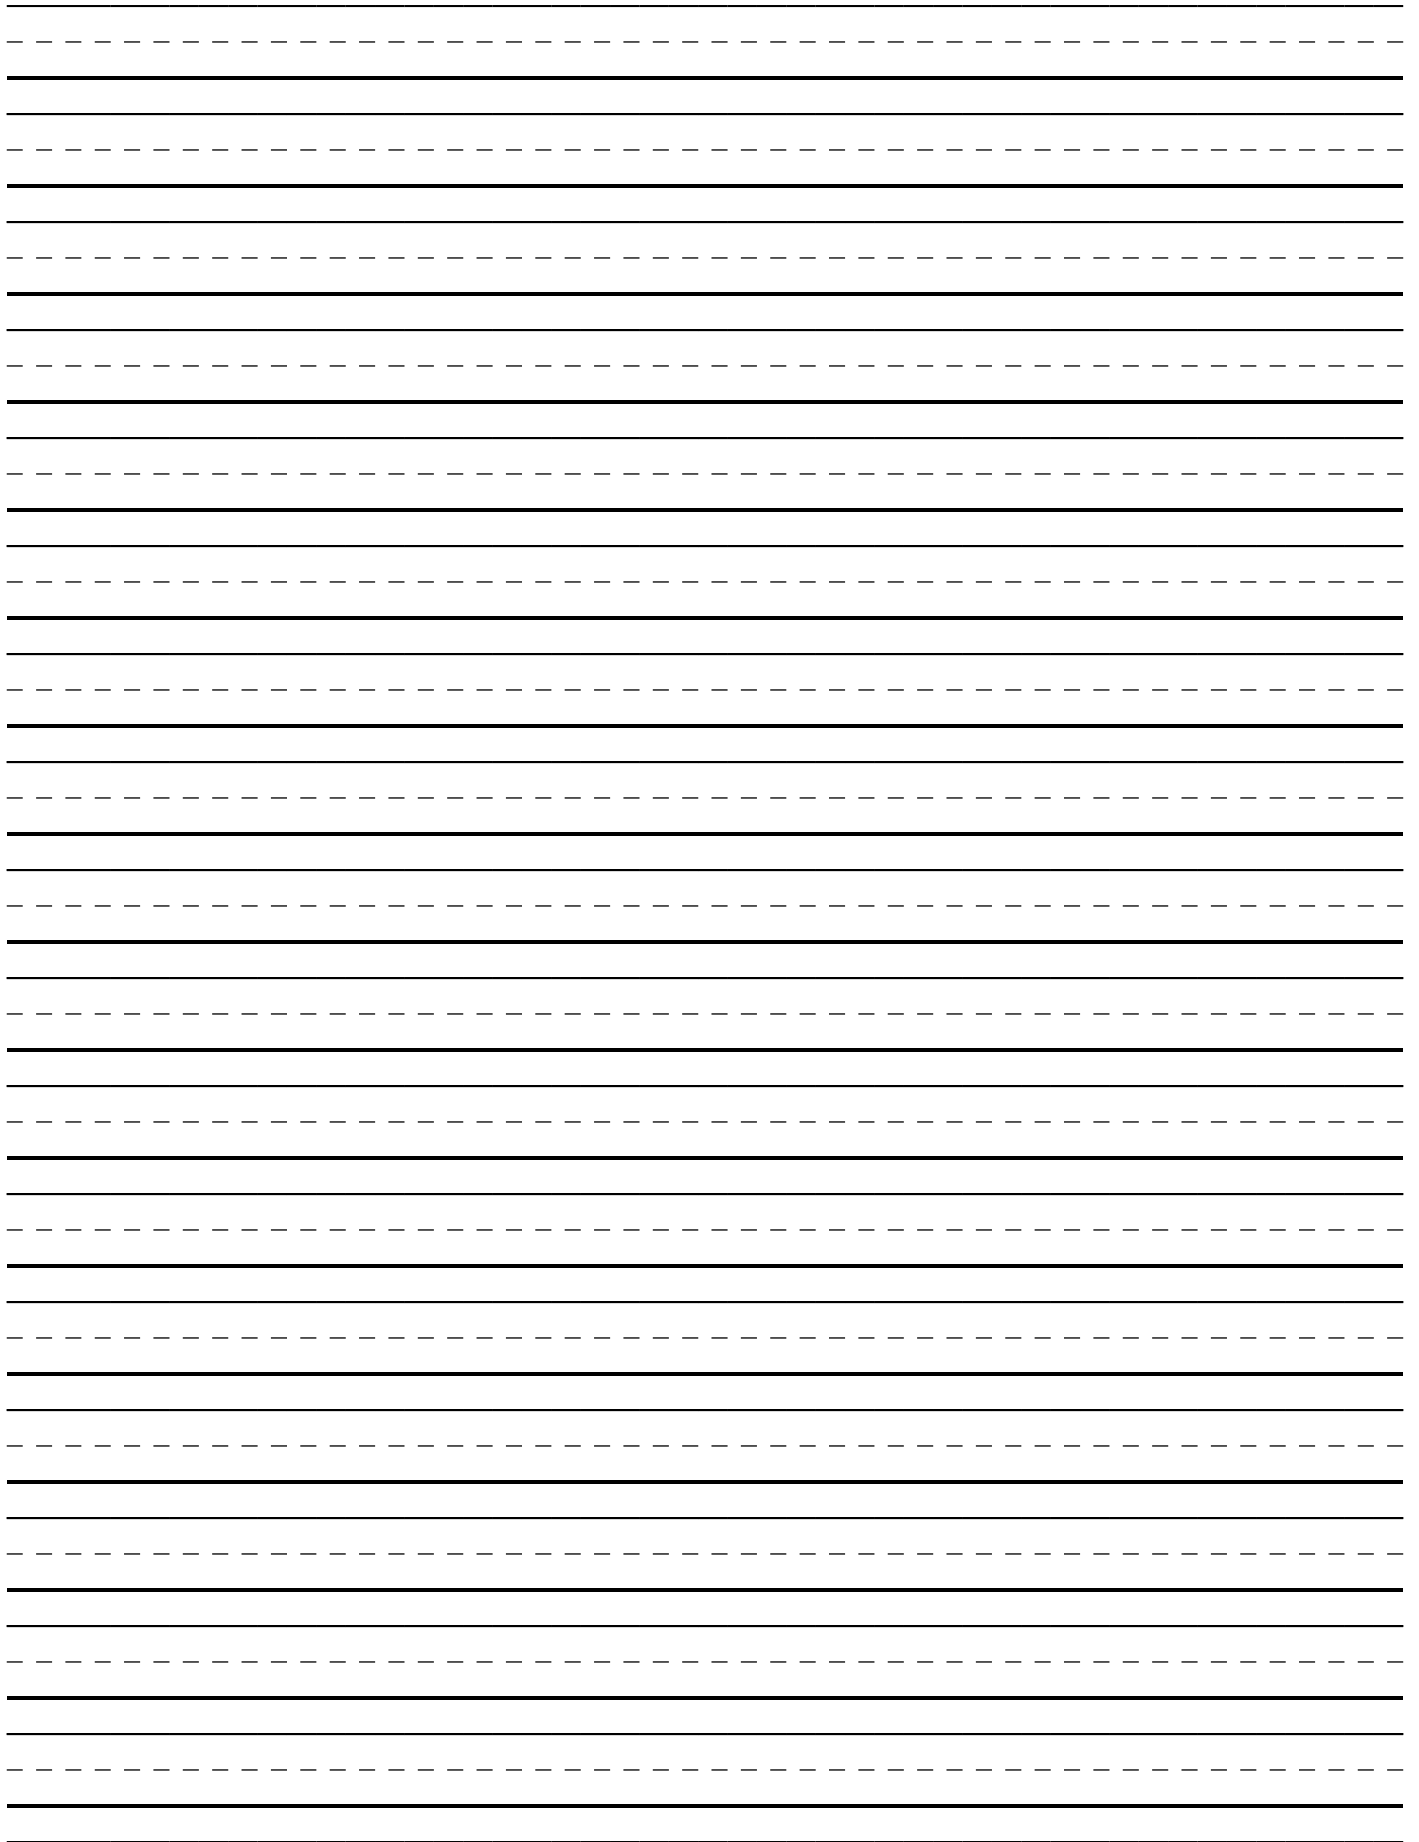

Zaner-Bloser

P.S. Did you notice the links in the e-mail to our **Manuscript Practice** and **Cursive Practice Packs**? Download and print these PDFs to learn about basic strokes and letter formation and provide extra practice!

The image shows a writing grid for Grade 2 story writing. It consists of five rows of horizontal lines. Each row is composed of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement.

A writing grid for Grade 3 story writing. It consists of 10 rows. Each row is defined by a solid top line, a dashed midline, and a solid bottom line. The top line of each row is thicker than the others. The grid is intended for students to write their stories within these lines.
